District Votes To Finance Survey Of Recreation Area

Golf Course Assured When Initial Funds Voted By District

First major action by the newly elected board of directors of the Truckee Public Utility District last Thursday was the voting of $5000 to provide for initial work to construct a recreational center, primarily a golf course, on utility land south of the Truckee river and east of the Brockway shortcut.

The motion was made by Cecil Edmunds after a sizeable delegation of members from the Truckee Recreational Committee headed by Mrs. Karl Kielhofer and Chairman Clarence Osburn, presented the committee's plan.

The motion carried unanimously after Director Lauren Russell seconded the motion.

Roughly, the plan calls for the expenditure for detailed planning, architectural fees and other preliminary work. The committee plans to complete the financing through membership fees of $125 a year in a proposed golf club and through popular subscription and voluntary labor.

For the past two years, committee members have been working diligently to provide the facility which is held essential for the continued progress of the community. Currently many local golfers are using courses in other communities and the course here is expected to not only keep these enthusiasts at home but bring scores of fans to Truckee where climatic conditions are ideal for the sport.

The matter of a swimming pool, baseball diamond, tennis court and other suggested sport facilities, was discussed and it is hoped these facilities can be included in the proposed survey.

Manager Daven Morey was instructed to seek planing advise and arrange for designing plans for the proposed new golf course.

In other action, the board chose George Kaspian as the new board president. Appointment and election of other officers was delayed for two weeks.

It was decided to discontinue the the discount on water used for lawn and garden purposes as a result of a recent survey which showed the water department not paying expected dividends.

The board voted to change the dates for meetings from Thursdays to the second and last Tuesday of each month at 8 p.m. starting June 9th.

Four Accidents In Area In Past Week

Four injury accidents were reported by the California Highway Patrol during the past week.

Mrs. Betty Loscher, 61, suffered back injuries Friday just before noon when the car driven by her husband, William J., was forced off the highway near Kingvale by a car which did not stop.

Saturday at 5:40 p.m. Hilda Unger, 33, Fritz Vizny, 29, both of San Francisco were injured when the car driven by the former was struck by one driven by Michael G. Hooker of San Francisco five miles north of Tahoe City. Hooker was cited.

Dennis Hill and George V. Chargin both of Reno were hurt when their car ran off the road four miles east of Truckee Tuesday morning at 2 o'clock after the driver was blinded by oncoming lights.

Audry Sheridan and Kay Mystic of Kings Beach were injured when a car driven by the former crashed into a stalled car operated by Bernice Borden of Truckee on the Brockway shortcut Tuesday morning at 5 o'clock two miles south of Truckee.

RABIES CLINIC DATES ANNOUNCED AT LAKE

TAHOE CITY — An anti-rabies vaccination clinic will be held at the veterinary hospital of Dr. Stuart Dingwall between 9 a.m. and 5 p.m. Wednesday and Thursday, June 10 and 11. This was announced this week by the Placer County Health Department.

All dog and cat owners are urged to take advantage of this service.

MRS. PEDLEY LEAVES FOR L.A. CONVENTION

Mrs. Fred Pedley who recently returned from the Fresno convention of the Federated Women's Clubs, will leave Sunday for Los Angeles where the organization will hold a convention.

Mrs. Pedley said that two lovely oil paintings were given Sutter District of which she is president and the coveted Josephine Seaman award for civic achievement was accepted and brought back to the Tahoe City Women's Club, formally presented at a meeting at Tahoe Inn.

The Tahoe club also was given 3 awards of merit from the Fresno convention. The members will be be hostess at the summer conference of the Sutter district to be held at Lake Tahoe.

Iowa Tests Show Local Students Are High In Average

Principal C. W. Sciutto this week announced that the results of the Iowa Tests of Education Development have been received and studied by the counseling department at the Tahoe Truckee High School and that the findings have been gratifying.

The ninth grade, as a group, ranked in the 86th percentile and the 11th grade in the 92 percentile.

In the case of the ninth grade, this means that over the nation 14 ninth grades ranked better and 85 classes were below that figure and in the case of the 11th grade, only eight ranked better and 93 were below the local group, Sciutto explained.

The tests covered a wide range of information including science, mathematics, history, literature, vocabulary, use of sources of information. The test places stress on ability to take the information the student has and apply it to the solution of problems presented in the test. This is the type of thinking schools are most concerned with, Sciutto said.

A testing program of this scope gives the school an objective basis upon which to measure growth that is taking place in the school as well as the individual growth of the student. With the help of the individual scores of each student, Sciutto explained, the counselor and teacher can be more objective in their talks with students concerning their strength and weakness in their school work.

"Any testing program has as its main purpose the improvement of instruction as well as helping the student realize and understand where they must work harder and how to improve and refine what they are doing well," Sciutto declared. "By using the test results in talks with the students, parents and teachers we feel that the program is continually being re-examined and improved."

Resolution To Keep Chambers Office

SACRAMENTO — A resolution authored by Senator Ronald G. Cameron seeking to halt proposed closing of the Chambers Lodge Post Office on Lake Tahoe has been passed by the California Legislature.

The measure is directed to the post office department and copies will be sent to the president and vice president, the speaker of the house of representatives, the postmaster general and each member of the house and the senate from California.

The resolution points out that the Chambers Lodge Post Office is a historical landmark located on the pier where it originally handled the mail directly from the famous lake steamer Tahoe.

"In my opinion there can be no valid reason for closing this post office which is becoming increasingly convenient for the residents of the surrounding area," Cameron commented.

"This is particularly true in view of the fact that Chambers Lodge has been chosen as the official headquarters for the cross-country races to be staged as part of the 1960 Winter Olympic Games.

"Other compelling reasons why it shouldn't be closed are the facts that a new subdivision with 100 home sites is opening adjacent to the post office and this historic facility also is on the site of the commercial seaplane base for airplanes servicing the Tahoe area.

"In view of the rapid expansion in the Tahoe area such public services as are provided by this post office should be increased, not curtailed."

VETERANS PRESENT MEMORIAL SERVICE

Veterans of Truckee Post No. 439, American Legion, paid fitting tribute to the memory of departed comrades on Memorial Day with brief ceremonies at the Truckee cemetery.

A color guard consisting of Frank Giovannoni, Everett Parker, Richard Walker, N. Giovannoni and headed by H. L. Owens, was complemented by a firing squad composed of Earl Stice, Lloyd Everett, Frank Fox and Mose Dunton. Eddie Androus officiated as chaplain and the bugler was Merrill Englehart.

The ceremony was impressive and well executed.

Tahoe Groups In Merger To Offer Combined Service

James Is Selected To Head Combined Booster Organization

CRYSTAL BAY — The Lake Tahoe Sierra Chamber of Commerce and North Lake Tahoe Business Association have merged. Consolidation eliminates much of the past duplication of effort by the two organizations for North Tahoe promotion and also frees the South Shore Chamber of a similar jurisdiction dispute.

Activity of the Lake Tahoe-Sierra Chamber of Commerce will now focus on the north and west shores of Lake Tahoe, including Squaw Valley, site of the VIII Olympic Winter Games.

Highly interested membership attended the annual spring meeting at the Nevada Lodge for this decision. The retention of the original Chamber of Commerce name was of major concern and a seven-man committee was formed to recommend a possible change at the next meeting. A new set of governing rules were adopted to streamline the Chamber to its North Tahoe activity.

Directors of both organizations consisting of twenty four members were elected to serve with the new Chamber Officers. Thomas L. James, Tahoe Vista resort owner, was unanimously elected president. Other officers are: Wendell Russell, 1st vice president, Tahoe City; Carlton Konarske, 2nd vice president, Crystal Bay; Florence Brown, treasurer, Homewood. Both secretaries, Gwen Robinson and Maxine Polzin, were re-elected with co-responsibilities.

Business people on the North and West Shores of Lake Tahoe accepted with enthusiasm the program of a chamber of commerce designated to meet their needs. Advertising projects include, brochures, souvenir stamp sale, highway and newspaper advertising, all of which are supplied to the Lake Tahoe vacationer now. Nearing completion is a new twenty-two minute, sound and color movie which will be shown by TV stations, service clubs and other travel-minded groups.

MARY ANN TONINI IS U. OF N. GRADUATE

Mary Ann Tonini, with a degree in Bachelor of Science in Education, was one of the 326 candidates graduating with the 1959 class at the University of Nevada at impressive ceremonies on the Reno campus June 1.

Miss Tonini, daughter of Mr. and Mrs. Elden Tonini of Truckee, expects to teach athletics at Denver during the coming year.

The commencement address was delivered by Carl Sanburg, noted American poet and philosopher. Theme of the 1959 commencement was an observance of the Lincoln sesquicentennial marking the 150th anniversary of his birth. Degrees were formally conferred by President Charles J. Armstrong.

CHAMBER MEETING SLATED WEDNESDAY

A meeting of the Truckee Donner Chamber of Commerce membership will be held at noon Wednesday, June 10 at Smart's, President N. F. Dolley announced. All members and guests are asked to attend.

Dolley also announced that the new parking lot where the S. P. Hotel stood will be ready for operation by that time, the merchants having contributed approximately $1000 to make it ready and operate it during the summer months.

MAID OF NEVADA TO BE CHOSEN AUG. 1ST

Entries are now being accepted for the Maid of Nevada County contest with final judging to be held on August 1, at the Veterans Memorial Building in Grass Valley.

Qualifications are as follows: single; age between 16 and 26; and a resident of Nevada County for one year. Prizes are $100 first prize; $50 second prize; and $25 third prize. All prizes are merchandise orders.

Interested parties may send their name and address to Grass Valley Junior Chamber of Commerce, in care of Ken Cobeldick or Bill Schloredt, P. O. Box 1023, Grass Valley. All persons who know of someone who is interested may submit the name and address of interested party.

Olympic Stamp To Be Issued In Honor Of Squaw Valley

Through the efforts of Congressman H. T. Johnson, the postmaster general has approved issuance of a commemorative stamp honoring the Olympic Winter Games at Squaw Valley. The stamp, in 4-cent denomination, will be issued February 18, 1960, in a quantity of 120 million.

Reports Show Pure Water In District

The Truckee-Donner Lake area enjoys excellent water, free of contamination of any sort.

This was the welcome report submitted this week by Richard Walker, area sanitarian, who recently sent samples of all domestic water in the region to the state laboratory for testing.

With 240 count rated as safe bacteriologically, the highest count in this district was 26, Walker explained, with most sources showing from 2 to 8 count, a very high purety level.

Building In District Still At High Mark

Building permits for the Truckee-Donner Lake area during May showed a slight decline from the previous month but were still above the $100,000 mark.

This was learned this week from Richard Walker, area sanitarian, who pointed out that during last month permits totaled $105.900 as compared to $106,909 for April.

One of the biggest single items on the list is a new $40,000 apartment house being errected by Malcolm Fox in the Donner Trail Subdivision at Donner Lake.

COMMENCEMENT FOR HIGH SCHOOL WILL BE HELD THURSDAY

Commencement excerises for the 57 graduates of the Tahoe Truckee High School will be held Thursday, June 11 at 8:15 at the high school gymnasium.

Principal C. W. Sciutto has announced the program which will be featured by music and addresses by the students.

Many special awards including those from the Bank of America, Lake Tahoe Lions Club, Tahoe Truckee Educational Association, High School PTA, the Carol Ann Quilici award and the Rebekah Scholarship will be made.

Full details will be announced in next week's issue.

Baccalaureate services will be conducted Sunday at the school with Father Paul Roswog talking on the subject "Golden Rule." A program wil lbe presented at 8:15 p. m. The public is invited.

JUNIOR PROM HELD AT HOTEL IN RENO

One hundred and thirtv-five juniors and seniors of the Tahoe Truckee High School, accompanied by nine members of the faculty, last Friday enjoyed the annual Junior Prom at the Sky Room of the Mapes Hotel in Reno. Dancing to a seven-piece dance band and a buffet provided the entertainment.

Principal C. W. Sciutto, who headed the faculty members, said he was pleased by receiving complimentary reports from the hotel management on the fine conduct of the students.

Other teachers present included James Brehler, Minor Rootes, Calvin Farley, Stan Drakulich, Virgil Mullis, Carl Lude, Lyle Morris and Miss Winifred Collins.

Wyethia to Elect

Election of officers will be held by the Wyethia Club during the regular meeting to be held tomorrow evening in the cubhouse according to Mrs. William Randall, retiring president. Refreshments will be served during the social hour.

SALE CANCELLED

The division of highways announces that the sealed bid sale for June 9, 1959 covering approximately 7.32 acres, located on the north side of Highway U. S. 40 between the existing highway and the proposed new freeway, about ¼ mile east of Hinton Road undercrossing in Nevada County, has been cancelled.

90 To Graduate At Ceremonies For Eighth Grade Here

Program Will Be Held At High School Gym Wednesday

Ninety eighth grade students are scheduled to graduate at a program prepared for Wednesday evening, June 10 at 8:15 at the gymnasium of the Tahoe Truckee High School.

The program will start with the processional by the the junior band, followed by the presentation of colors by the Tahoe Truckee California Cadet Corps. Father P. J. O'Neill will offer the invocation and the pledge of allegiance will be given by Gary Wing. Rick Bergman, Jim Boatman and Mike DeLacy.

The address of welcome will be given by Marge Mandeville and the senior chorus will render a number. The first student speaker will be Albert Eberhart. Bonita Banducci, Levi Speck, Bill Holley and Mary Parsons will read the class will and the junior band will then play the Heads Up March.

The second student speaker, Sandra Fellows, will then make a brief talk and the class prophecy will be read by Ginger Barnes. Janice Roth, Gretchen Gruendemann and Kris Felte. The senior chorus will close the program.

The Grads

The students scheduled to graduate are:

Barry Anderson, Virginia Lee Baker, Bonita Lea Banducci, Timothy L. Barnes, Virginia Kay Barnes, Carolyn Beinhorn, Rikard Thor Bergman, James Michael Boatman, Robert Donald Bradley, Gary C. Brines, Ernest Eugene Britt,

Daryl Brooks, Edward Lee Bruce, Claudette Patricia Burchfield, Wil-

LARRY JELLIN GIVEN HIGH SCHOOL HONOR

Larry Jellin, junior student at Tahoe Truckee High School, son of Mr. and Mrs. Walter Jellin, was honored by having been accepted for the N. S. F. summer science program at California State Polytecnic College for one month's instruction.

Only 50 students throughout California are chosen to attend this session.

RAINBOW GIRLS WILL INSTALL OFFICERS

Installation of officers will be held June 6 at 7:30 o'clock by Hope Assembly, No. 18, Order of Rainbow for Girls when Diane McGihon will take her place as worthy advisor.

Other officers to be seated at the ceremony are Dorothy Corbin, worthy associate advisor; Ellen Rich, charity; Joan Brown, hope; Tina Gruendemann, Faith; Nona Rae Coffey, chaplain; Donna Barnes, drill leader; Karen Smart, love: Virginia Peters, religion; Gretchen Gruendemann, nature; Varien Frey, immortality; Sheryl Wheeler, fidelity.

Janice Roth, patriotism; Rene Hall, service; Donna McReynolds, confidential observer; Judy Draney, outer observer; Sandy Fellows, musician; Linda Morrell, choir director; Linda Critchley, Vicki Firpo, Carol Hampton, Judi Loder, Margy Mandeville, Margie Pearson, Donna Stumbo, Mary Thorwaldsen, Blanche Ploof, Sandy Farris, Choir; Vickie Rich, lecture; Valerie Mandeville, historian; Dorette Rose, tribute to the flag.

A dance and refreshments will follow the ritual. Parents and friends are cordially invited to attend.

SIERRA PICNIC WILL BE HELD ON JUNE 14

The 36th annual Sierra Valley Picnic will be held Sunday, June 14 at the picnic area of McKinley Park in Sacramento. All former residents of Sierra Valley are welcome to come and renew old acquaintances. The committee in charge is desirous of obtaining the names and addresses of former residents of Sierra Valley. Anyone having information on people from this area is asked to contact the secretary of the association. George Thorne, 143 45th Street, Sacramento 19. Coffee and cold drinks will be served. Everyone should bring a picnic lunch and enjoy the company of old friends.

From City—

Mr. and Mrs. M. Wespecher were local business visitors from San Francisco during the weekend.

Sierra Pacific Will Expand Facilities Throughout Region

A major expansion program which will affect the Truckee and Lake Tahoe area is currently underway by the Sierra Pacific Power Company at a cost in excess of $750,000.

District Manager Frank W. Gaiennie said the improvements include a new 5,000 KW substation at Kings Beach with a 60,000-volt, three phase line running from Truckee to that station.

The new substation at Kings Beach will bring to five such installations at Lake Tahoe, the others being at Tahoe City, Glenbrook and South Tahoe. Added to this is the new substation recently completed, 5,000 KW unit, to serve Squaw Valley.

The company has purchased the H. L. Loehr property near the Truckee substation to provide for expansion and modernization of the local plant from which the lines at North Tahoe will feed.

Included in the local installation will be a new transformer bank to serve the fast growing needs of the Truckee district.

The line to Kings Beach is going through Martis Valley and over the Brockway shortcut route.

At the same time, Gaiennie announced the company has been petitioned to relocate its lines in the Donner Summit area to provide the right of way for the proposed new freeway. They have until September to make this relocation the local manager said.

Snow Removal Bill Passed By Senate

Legislation by Senator Ronald G. Cameron which could save the taxpavers of Placer and Nevada Counties $60.000 and at the same time stimulate recreational development of the area has been passed by the senate.

The Cameron bill would permit the state department of public works to continue snow removal activities on that portion of Highway 40 which will revert to the counties after it is replaced by the new freeway.

There is substantial recreation business along Highway 40 between Soda Springs and Donner Summit which is of great importance to the economy of the area," Cameron pointed out.

"Without this legislation the burden of snow removal would fall on Placer and Nevada Counties when this section of highway is taken out of the state highway system. It is estimated that it would cost the counties more than $60,000 to keep the road open during the winter months.

"Because many of the people who use these recreational facilities are from outside our counties I believe it is a legitimate duty of the state to continue with snow removal over this stretch of highway.

"I also feel that recreation in this area will continue to expand and the state's participation in this activity will assist materially in this expansion.

ONLY ONE ACCIDENT DURING WEEKEND

Despite the unusually heavy traffic in this area during the Memorial Day weekend, only one personal injury accident was reported between noon Friday and Monday at noon, Sergeant Frank Snyder of the CHP reported.

There were 20 citations for moving violations issued but none for drunk driving. The report showed "heavy" traffic from Friday noon to Sunday at 6 a.m. and "very heavy" from then until Sunday at 6 p.m. with "light" traffic from that time until Monday noon.

JOHNNY CIARDELLA IS HONORED BY ROTARY

Members of the Truckee Rotary club and their ladies had a dinner meeting May 25 in Donner Lake Lodge when Johnny Ciardella was honored as a charter member who had 100 per cent attendance. Forty-five attended. Jim Sherritt was the genial master of ceremony, with a "This is Your Life" routine presenting the veteran member with a plaque, flags of other nations and congratulatory letters from Rotary International officials.

Todd Boles was the guest speaker at the June 1 meeting of the organization, who spoke on fishing facilities at Ice Lake.

Airport Tax Will Provide Fund For Acquiring Lands

Board Votes Approval Of Five-Cent Tax To Get Project Started

Meeting Monday night at the offices of the Truckee Public Utility District, the board of directors of the Truckee Tahoe Airport District voted unanimously to institute a five cent tax to finance the acquisition of 286 acres of land at the proposed airport just south of here on the Brockway shortcut, and pay incidental expenses of the district.

Zeph Rose, chairman of the board, said the small tax which will approximate a cost of about $2.50 a year on the average home owner, whose assessment is in the neighborhood of $5,000. From this tax approximately $12,000 a year can be realized.

The tax will go into effect on the forthcoming tax roll and while it is expected to take from five to six years to pay off the cost of the property, immediate possession will be permitted, and provide for construction of facilities and give the board a bargaining position with the CAA which has agreed to finance 53 percent of the cost of construction.

The area to be assessed is valued at $25 million and embraces the same property as the Tahoe Truckee Unified School District, Rose explained.

Rose said the action was taken only after a majority of the affected property owners had indicated they favored the tax and the early construction of an adequate airport.

Most of the land required belongs to Joe Joerger, with 46 acres available, without cost, from the forest service.

Work Will Start On New Baseball Park

Clearing and construction of the baseball field at the new Truckee recreation center, south of the river, will be the first order of business of the Truckee Recreation Committee, Mrs. Karl Kielhofer, secretary of the organization, announced following a meeting Monday evening.

The work will start Saturday and all baseball enthusiasts are urged to participate in the task.

Work of clearing the ground on the proposed new golf course will start Saturday, June 13 at 10 a.m. and here again volunteers are urgently needed. Anyone who can drive heavy equipment and would like to volunteer for a few hours work is asked to contact Chairman Clarence Osburn or Mrs. Kielhofer.

The utility district has voted $5000 to be used for architectural work on the course.

Mrs. Kielhofer said plans are not completed but a number of ways are being discussed to complete the over-all project which will include ball park, swimming pool, golf course and other facilities. It is also proposed to have a stocked fish pond for the children.

The committee is in the process of lining up heavy equipment for this week's work and throughout the first stages of construction and many contractors in the area are cooperating. Needed are men and additional equipment, Mrs. Kielhofer said.

NOTED ARTIST WILL PERFORM AT SMART'S

Emma Louise, talented piano and electric organ artist, who has been given favorable publicity in both Variety and Billboard magazines, is to be heard this summer at Smart's.

As a celebration and welcome to the New York artist, Manager Reg Smart this week announced that a reception will be held Friday evening with a free smorgasboard. Everyone is invited to join in the festivities.

$550,000 VOTED FOR WORK ON TRUCKEE

Congressman H. T. Johnson in a telegram to the Sierra Sun announced that the house appropriations committee Tuesday approved $550,000 in construction funds for a reclamation project involving the Truckee River and its tributaries.

The wire did not indicate just where the money was to be used but it is presumed it will be on the Prosser reservoir project, scheduled to start this year.

LIONS PLANNING TO ATTEND BALL GAME

A discussion about going in a charter bus to attend a baseball game at San Francisco featured a meeting of the Lions Club last night. N. F. Dolley was appointed to look into the possibilities and make arrangements. Dolley also spoke on the new recreation center for the community.

Guests were N. Nordlander, Bob Coats and Johnny Walker all of Truckee. Slim Thompson presided in the absence of Frank Fox.

RESERVOIRS WILL BE OPENED TO FISHING

SACRAMENTO — (CNS) — Gov. Edmund G. Brown has signed into law AB286 by Assemblymaan S. C. Masterson (D-El Sobrante which would require public agencies to open secondary reservoirs to fishing and recreation uses, provided no public health dangers were involved.

Brown signed the bill at the conclusion of a public hearing in his office, requested by the Metropolitan Water District of southern California.

The MWD had been the principal opponent of Masterson's bill this year, although he had assured them during each of several committee hearings that the MWD would be excluded under provisions of the bill. These sections provided no fishing could be required or permitted in any reservoir from which water enters mains for domestic uses without purification.

At the hearing, the huge water district renewed is opposition. Joseph Jensen, chief councel, said the district was appearing as a "good loser and not as a hopeful winner". He was reminded by Brown that the bill had cleared the assembly on a 70-4 vote and passed the senate by a vote of 32- five.

Jensen went on to say that the MWD had no intention of opening its principal southern California reservoir, Lake Matthews in Riverside county. He indicated the MWD would refuse, call an election if necessary and, if the people voted to open the lake to fishing and recreation, would set the fees so high no one could afford to use it.

At one point Jensen said it would cost $600,000 a year to purify the water from Lake Matthews. Later, Robert Skinner, MWD engineer, said purificatioon plants for the lake would cost $40 to $50 million in initial investment, plus operating costs between $4 and $5 million a year.

NOTICE TO BIDDERS

Notice is hereby given that the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, will receive sealed bids up to but not later than 5:00 p.m. on June 5, 1959, for certain musical instruments, furniture equipment, athletic equipment and kitchen equipment, in accordance with the List and Specifications now on file in the office of said Tahoe-Truckee Unified School District Superintendent, located at Tahoe-Truckee High School, Truckee, California; all prospective bidders are hereby referred to said list and specifications.

Said bids will be publicly opened and read aloud at the above stated time and place. Each bid shall be made out on Bid Forms to be obtained at said office and must be accompanied by a certified check, or money order for ten per cent (10%) of the amount of the bid, made payable to Tahoe-Truckee School District, Truckee, California. Said certified check or money order shall be given as a guarantee that the bidder will enter into a contract or any part thereof if awarded said bid, and will be declared forfeited if the successful bidder shall refuse to enter into said contract after being requested to do so by said Tahoe-Truckee Unified School District, Placer and Nevada Counties, California. In addition, said certified check or money order shall be given as a guarantee of complete delivery on or before August 1, 1959, and will be declared forfeited if delivery is not completed on or before that date.

Substitutions shall be given in detail on bidders' stationary.

Bidders may bid on all, or less than all, of said list, but bids will not be accepted for less than all of any one item. Delivery must be made F. O. B. to the Tahoe Truckee High School, Truckee California, in the quantities indicated.

Said Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, reserves the right to reject any and/or all and any part or all of any bids and to waive any irregularities.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

JACK FELTE
President of the Governing Board

A sprinkler with an opening ¾ inch wide, running at full pressure will use 300 gallons of water an hour. This will cover a lawn or garden space of 2500 sq. ft. with 12 tons of water in ten hours, the equivalent of one inch of rainfall. In extremely hot weather this is enough sprinkling for one week—50 tons of water a month. In cool weather sprinkle less often. If a sprinkler runs over two hours every day, it is water wasted.

"BEST FOR LESS"

TRUCKEE, CALIF.

STRICTLY STRICKLAND

By Bill Strickland

Very pleasantly surprised on Tuesday to learn that I had been elected to the office of secretary-treasurer of the Sierra Nevada Sportswriters and Broadcasters Association. This very active organization meets every Tuesday at a luncheon meeting. Its members are made up of all of the sportswriters in Northern Nevada as well as all of the radio and television sportscasters.

The business and sports end of the Sierra will have representation in this group if they wish it.

The news release stated that I was the ski expert for the Sierra Sun, and also regarded as one of the best informed ski writers in the Sierras. I presume I must now live up to the press notices; so I'd better start by passing on my best informing.

* * *

Three youngsters from the Far West Ski Association have been selected for the United States Olympic Alpine training squad. Linda Meyers and Kenny Lloyd of Mammoth Mountain and young Jimmy Heuga of Squaw Valley.

Linda should be a lead pipe cinch to take the team. She was the outstanding competitor among the girls in the four western qualifying meets. She was also a top performer in the 1958 F. I. S. competition.

Kenny Lloyd lived up to advance billing in a coupla' races, but didn't fare too well in the others. His one big advantage lies in the fact that he was an alternate selection for the 1956 Games in Cortina, Italy.

Our third hopeful, and a real prospect, is Jim Heuga of Squaw Valley. Jimmy, despite his lack of size and weight, whipped the pants off of most of the nations best. This little man made up for his 100 pounds, by exhibiting an amazing ability and determination. If he doesn't make the team, it will not be because he didn't give it everything he had, and then some. It's going to take the best to move this youngster out, and just between you and me, I don't think there are eight men on that 13 men training squad that can do it. Pick Linda and Jim to be the two Olympic representatives from the west.

Because of injuries a few from the west are out of contention, but can you picture what that training squad might have looked like had young men and women like Ronnie Rau, Sam Salmons, Kit Schull, Don Murphy, Starr Walton, Laurie Wakeman and Jackie Davenport been able to try out? Quite a few of the above names would have been part of the training squad. On that you have been informed for sure.

* * *

Members of the California Winter Sports Writers Association held their final meeting of the '58-'59 Season last Wednesday evening in Oakland. Officers elected for the coming Olympic year were Carson White, president, San Francisco Examiner; Eric Johnson, vice president, Berkeley Gazette; Bill Barry, vice president, Sacramento Bee; Henry Moekle, secretary, National Skiing; and Lynn Shaeffer, treasurer, San Rafael Independent.

Unanimous choice for the ski coach of the year award was Dave McCoy of Mammoth Mountain.

* * *

The Sierra Lakes Club of California, a private club for member use only, is starting to make use of some of the mountains most qualified men. Norm Saylor is the is the new assistant manager and will be in charge of clearing the new ski runs, and installation of the lifts. These new runs, incidentally, will be three quarters of a mile in length and have a vertical drop of 600 feet. In view of the fact that they will not be available for public use, members will be able to enjoy a full day of skiing, without waiting in line for the ride up. That will certainly be a novelty.

Jerry Michaich is on hand and will be part of the recreation staff for both winters and summer.

Jim Winthers has been retained in an advisory capacity for recreation.

John Johansen will be part of the construction crew.

The above, along with the regulars, Todd Bales, Jim Scarlett, Todd Bales, Jr., Eddie Allen and others, make up a pretty efficient crew.

* * *

The Riverside Hotel in Reno is sponsoring a golf tournament for the Sportswriters and Broadcasters on Sunday, June 7.—Being a Ski Writer, I think I'm supposed to use the tools of my trade. I've never tried 18 holes of golf with a ski driver, a ski pole No. 5 iron, or a long thong putter, but the way I play it shouldn't make much difference what kind of clubs I have. Now if they'll just let me kick the ball now and then with those square toed ski boots, my score might not be too bad after all.

The first Russian cathedral in the U. S. and the oldest Russian church in San Francisco is the Holy Trinity Russian Eastern Orthodox Cathedral on Van Ness Avenue.

The first automobile insurance policy was issued to Dr. T. J. Martin, February 1, 1898.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF ARCHITECTURE

NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Division of Architecture, Public Works Building, 1120 "N" Street, Sacramento. California; until 2:00 p.m., Tuesday June 16, 1959 at which time they will be publicly opened and read for the construction of the PLANT QUARANTINE INSPECTION STATION, DEPARTMENT OF AGRICULTURE, AT TRUCKEE IN NEVADA COUNTY, CALIFORNIA, (W. O. 4166GC-2), in accordance with the plans and specifications there for and such addenda thereto as may be issued prior to bid opening date.

In general this project comprises the construction of two one-story buildings having a total floor area of approx. 5500 sq. ft.

Construction includes concrete foundations and radiant-heated floor slabs, concrete block masonry, structural steel framing, metal siding and decking, built-up composition roofing, insulation, carpentry, mill work, gypsum wallboard, motorized metal overhead doors, wood and hollow metal swing doors, aluminum windows, ceramic tile, resilient floor covering, sheet metal, illuminated plastic sign, wood flagpole, painting, grading and paving, landscaping, mechanical and electrical work.

The bidder's attention is called to the contract time requirements in Section 1, Part I. Article 1-04 of the Specifications. which stipulates that this propect shall be completed on or before December 15, 1959.

Bids will be entertained on a lump sum basis only.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the minimum rate of wages applicable to the work to be done to be as follows:

Classification	Hourly Rate
Bricklayer	$3.90
Carpenter	3.375
Cement Finisher	3.37
Concrete Mixer Operator—Up to one yard	3.10
Derrick Operator	3.85
Electrician	4.06
Glazier	2.55
Hod Carrier — Brick	3.10
Iron Worker — Reinforcing Steel	3.60
Iron Worker — Structural Steel	3.85
Laborer	2.865
Lather	3.60
Operator of Power Shovel and/or other excavat. equip. with shovel-type controls (up to and includ. 1 yd.)	3.75
Painter—Brush	3.15
Plasterer	3.60
Plumber and Steam Fitter	3.925
Roofer	3.30
Sheet Metal Worker	3.625
Tile Setter	3.28
Truck Driver—6 and less than 8 cu. yd. w. l. cap.	3.10
4 and less than 6 cu. yd. w. l. cap.	2.89
Under 4 yds. water level	2.75
Any classification omitted herein — Not less than....	2.75

Over time—Not less than one and one half times the above rates.

Sunday and Holidays — Not less than one and one half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Plans and specifications, and forms of proposal and Bidder's bond may be obtained by requesting them in writing from the Division of Architecture Public Works Building, Sacramento, and they may be seen at the office of the Division of Architecture, Public Works Building, Sacramento, and the Builders' Exchange Offices.

No bid will be considered unless it is made on a blank form furnished by the Division of Architecture and is made in accordance with the provisions of the proposal requirements and conditions set forth under Section 1 of the Specifications. Each bidder must be licensed and also prequalified as required by law. (See said proposal requirements and conditions.)

A deposit of $25.00, (check made payable to the Department of Public Works) will be required to guarantee safe return of the plans and specifications within 30 days after bid opening. Failure to so return the plans will cause forfeiture of the deposit to the State.

The department of Public Works reserves the right to reject any or all bids, and to waive any informality in any bid received.

NEWS NOTES FROM TAHOE

NAOMI McLANE
Box 711, Tahoe City — JU 3-3187

The children—and others who seem to keep a great enthusiasm—are swimming daily in the Lake already. I am told it is very warm again this year but have not yet had the courage to try for myself. But certainly it is summer blue now and the thousands who are not lucky enough to live here will be making their summer pilgrimages soon.

* * *

Mr. and Mrs. Bob Tonini have been having as a guest Mrs. Tonini's brother A. K. Oliver from Bismark, North Dakota. Oliver is looking about with an eye to settling here in the near future.

The Women's Guild of St. Nicholas reports a most satisfactory food sale held last Saturday in the Village Store. Mrs. Leonard Bury was chairman of the event.

* * *

The PTA is most grateful to Mrs. Eunice Henrikson, Mrs. Betty Jorgensen and Mrs. Joanne Marier and to the Cub Scouts and Brownies who in one day sold all the boxes of candy the club had left. These three women took the hard working earnest little group of youngsters to various areas in and just outside of Tahoe City and thanks to them the sweets sold better than hotcakes.

* * *

The PTA is also grateful to Mrs. Decker, cook at our Tahoe Lake School, who made seven pies, banana cream delights, for the PTA potluck dinner Thursday night. Mrs. Decker did this on her own time and as a gift to the PTA. The speed with which they disappeared should prove the group's thanks.

* * *

Probably Tahoe City has never seen a larger PTA turnout than that at the new multi-purpose room. It speaks well for a good year next fall when president-elect Ernest Marier will take up the duties of his office. Everyone was pleased with the size of the new addition and the wonderful wall-folding tables and benches which, when down, still leave a great deal of floor space. The new class rooms will be wonderful too when finished. Surely it cannot be that we have already grown too outsize! Our thanks go to Mr. Phil Geier, custodian, who so patiently waited on the cleanup committee who, of course, were later than they meant to be, and to all the men who did the special things that had to be done so that the group could use the room at this early date. Mrs. Max Hoff was chairman of the dinner and the plentiful and varied smorgasboard before us was due to her careful planning.

* * *

The Girl Scouts, Fly-Ups and Brownies completed their year with a joint business meeting and dinner at the Tahoe Inn. After their usual flag salute and song, the repeating of the Girl Scout Promise and a silent grace before the meal, the girls were introduced to Jack Dunne, President of the Tahoe City Community Center, to whom they happily presented $20 for a donation to be used for the Commons. The girls had earned the money themselves by various projects throughout the year. Brownie and Girl Scout awards were presented by the girl's leaders, and the girls in turn presented their leaders with a leader's pin.

The Girl Scouts are Joyce Anderson, Julianne Bechdolt, Alice Calhoun, Alexandra Cushing, Catherine Conners, Cheryl Flory, Judy Ingram, Karen McBride, Kristin Meixner, Joan Palmer and Stephanie Snyder. Their leaders are Mrs. Bud Meixner and Mrs. Donald Snyder.

The Fly-Ups are Raelee Grahn, Rosemary Wray, Georgeann Luffy, Pam Bradley, Kathleen Norton, Lynn Harper, and Darlinda Stark. Their leader is Mrs. Reed Harper.

The Brownies, led by Mrs. John Anderson and Mrs. Dave McBride, are Alice Brandstrom, Cheryl Bechdolt, Anna Marie Conners, Joan Cox, Tabor Fox, Shirley Gratner, Denise Henrikson, Heidi Henrikson, Leah Howard, Janet Jorgensen, Denise Kimball, Diane McBride, Karen Meixner, Cathy Mokaitis, Barbara Nielsen, Shirley Stark and Anne Starratt.

* * *

Several members of the Women's Club worked all day one day last week because they wanted to help the Boy Scouts who have done a good bit of work on the Commons at the north end. The women tackled the trash, grassy south end and in a few hours accomplished wonders. They obviously had fun too wielding their rakes and shovels and certainly the community owes a cheering thanks to them as well as to the Boy Scouts. Among those who worked so hard were President Mrs. Ernest LePire. Mrs. Charles Henrikson, Mrs. Marshall Ruhkala. Mrs. James Martin, Mrs. Bill Wilt, Mrs. Al Snyder and Mrs. Bob Snyder.

* * *

The Community will miss Mr. and Mrs. R. J. Taylor of the Methodist camp ground who leave soon for a vacation from which they will not return. In late June and July they will spend several weeks with their son in Alaska on the Kenai Peninsula. They will return to their former home in Roseville rather than to Skylandia where they have lived for over two years. Mrs. Laura Wilson of Tahoe Pines and Donner was hostess last week to a gathering of women to honor Mrs. Taylor and to wish her bon voyage. Among those attending at the Donner Lake home were Mrs. Dorothy Wray, Mrs. Margarita Anderson, Mrs. Catherine Hubbard, Mrs. Marcia McLane, Mrs. Lillie Schumacher, Mrs. Barbara Taylor and Mrs. Ametta Firpo, Mrs. Hilda Hintz who could not attend, sent flowers.

* * *

Douglas Wilson, son of Laura and Ivan, was up at Donner Lake for the weekend with a Homewood and college companion, Sharon Mannix. The weekend before Wilsons had gone down to Sacramento to attend the Sacramento State College Music Festival in which Doug took part playing both saxaphone and clarinet. At that time the Wilsons visited Llovd Glancy, professor of music at Sacramento JC and a long time summer resident of Tahoe Pines.

* * *

Mrs. Eunice Henrikson has two important announcements to make and has asked me to put them in here. The first concerns the Bishop's Committee which will meet June 4th at the Parish Hall of St Nicholas Church at 7:30. The Reverend Stanley Welsh will conduct the meeting.

* * *

The second announcement is about the second annual art show sponsored by St. Nicholas. Amateurs and professional artists are urged to present their work at the festival which will be dated sometime in August. Mrs. Henrikson says that it is hoped that people from Truckee and the south end of the lake will bring things to the show too. Further details will be announced in the Sierra Sun as they develop. Get in touch with Mrs. Gordon Moyer at JU 3-3236 or Mr. Charles Beardsley at JU 3-3329 as soon as you have something you would like to display.

* * *

Just received a phone call from Mrs. Jerry Waters who has recently returned from a long sojourn in the bay area. While there Evie had major surgery done for a kidney ailment and says she feels so much, much better. After her ten-day stay in Marin General hospital she convalesced at the Larkspur home of her daughter and son-in-law, Bud and Jean Eason. Evie is very grateful for he many remembrances she had from her friends here.

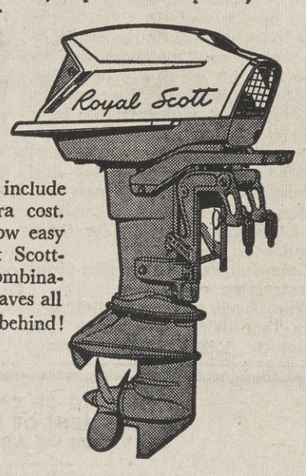

* * *

Bob Pickus of Berkeley who during the war was connected with the OWI and later with the American Friends Service Committee is deeply interested in the peace of th world and is working in various communities in Northern California to talk about what plain old people can do if anything to prevent war. The John Martinsons and Bob McLanes are having an open house on Saturday, June 6th from 2 to 5 at the McLane home. If any one is interested in this subject do come to meet Bob Pickus and to air your own views. McLanes live on Tahoe Tavern Heights directly behind the Ken Steddom home.

SCOTT...leaves all other outboards years behind!

SEE THE NEW SCOTTS NOW!—10 models from 3.6 to 60 hp. with lean, clean styling, six smart hood colors. They're packed with power, engineered for dependability. Advanced features like full marine gearshift, Bail-a-matic power bailing make new Scotts as easy to run as a new car. Electric-starting models include generator at no extra cost. (Non-denominational)
Roy S. Rhoades, Jr., Pastor
Sunday School 10:00 a.m.
Morning Worship 11:00 a.m.
Sunday Evening 7:30 p.m.
There will be no Sunday Evening service this week due to the Baccalaureate Service at the high school which everyone will want to attend.
"The Divine Interrogation" is the title of Pastor Rhoades' message next Lord's Day. The first question found in Scripture is in Genesis 3:9 where God inquires of Adam, "Where are thou?" God is asking of men the same question today. What is your answer? Like Adam, are you a foolish fugitive? This is pertinent to the Communion Service which will follow the message.

CHURCH OF THE MOUNTAINS
(Methodist)
John Albert Taylor, Pastor
Phone Luther 7-3637
Church School: 9:45 a.m.
Morning Worship: 11:00 a.m.
Words change through the years and what was significant for one generation becomes a mystery for the next. No place is this more true than in the vocabulary of the Christian Faith. Words which meant a great deal to the ancients are thrown at a modern church congregation and rather than clarify they confuse. Words are symbols which should give wings to an idea, but much of the time they simply clutter the seekers' ears and minds. Pastor Taylor will discuss this subject in the Sunday sermon entitled: "The Curse of Gobbledygook."

TURNS SHOVEL

James Owens, former manager of the Truckee branch Bank of America recently turned the first shovel of dirt to start construction of a bank in Sacramento. He is present-

EFFORT ARE MADE TO FORM CAP UNIT

Mrs. Hugh Weinand is seriously endeavoring to organize a local squadron of the Civil Air Patrol and has prepared information concerning the organization to which several local people belong.

The CAP, Mrs. Weinand said, is a civilian auxiliary of the Air Force but is not a branch of the service and does not affect draft status. It stands as a leading exponent of youth aviation education and its members conduct an intensive 3-year program aimed at providing young people with information on the social, political, economic, international and vocational facets of aviation. It is also an air search and rescue agency.

Not all members of the CAP are pilots, but qualified me and women are useful in communications, rescue, medical services and other pursuits.

The air force donates surplus equipment to the CAP which is used for flight orientation, rescue and other aims. CAP does not teach flving but provides orientation flights for those in the organization.

One must be a citizen and have good character and moral reputation to become a member. The senior members instruct the cadets (boys and girls 14 to 18) in aviation subjects. with the senior members supervising the activities, such as summer encampments. drills, etc.

Details on specific CAP activities and procedure for joining may be be obtained by going to one of the meetings held each Thursday at 7 p.m. in Sparks or by contacting Mrs. Weinand.

ly manager of the Town and Country Village branch bank in the capital city.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Adjourned Meeting, May 22, 1959.

Present: John T. Trauner, Clerk, Wm. J. Cassettari, Deputy District Attorney.

The meeting was called to order at 10:05 A.M. and the following members were noted as present: Mosco F. Smart, W. W. Bishop, J. C. Coughlan and Henry G. Loehr. It was noted that Supervisor Robinson was absent.

The minutes of the meeting of May 15th were read to the Board by the Clerk and a motion was made, duly seconded and passed unanimously, approving the minutes as read.

It was noted that Supervisor Robinson arrived in the Board room at 10:15 A.M..

The County Auditor presented the Board with his monthly budget report, and a motion was made by Supervisor Loehr, duly seconded and passed unanimously, accepting the report and ordering it filed.

Mr. Z. Rose and Mr. Cecil Edmunds appeared as a delegation from the Truckee area, and requested a share of the Special Aviation Gas Tax Fund be devoted to the Truckee Airport District. Mr. Cassettari, at this time, ruled that the Board of Supervisors can neither give, nor grant, any monies to an air port district. A lengthy discussion ensued.

Mr. Edmunds, then appeared before the Board and complimented the Board on expenditures made for the development of air travel in Nevada County, but he stated further that he did not feel it just to effect a double taxation program for airports.

The Board then discussed with Mr. Edmunds the possibility of a County building in Truckee.

A written request was received from the County Probation Officer requesting permission to attend a conference. A motion was made, duly seconded and passed unanimously, authorizing Mr. Pond to attend a conference in Quincy, California, June 3, 1959.

A written request was received from Dr. Foster requesting the annual step pay increase for Marian McDonald, Secretary, and a motion was made by Supervisor Loehr, duly seconded and passed unanimously, authorizing the Auditor to increase the pay of Mrs. Marian McDonald one step in accordance with the Salary Ordinance.

At the request of Mrs. Worth, Welfare Director, and upon a motion made by Supervisor Robinson, duly seconded and passed unanimously, Melva Carr, Stenographer Clerk I, was granted her annual step pay increase.

Frank Gallino, undersheriff, appeared before the Board and requested that the Board consider the employment of Preston Patnoude as a deputy sheriff in the Truckee area at Step B of the applicable salary range. A motion was made by Supervisor Loehr, duly seconded authorizing the recruitment of Mr. Patnoude at the second step of the salary range. Upon a roll call ballot a unanimous vote was recorded.

Resolution No. 59-26 calling for bids for the Nevada Union High School Bond issue was read to the Board by the Clerk and a motion was made by Supervisor Smart, duly seconded to adopt a resolution calling for bids for the Nevada Union High School District. Upon a roll call ballot a unanimous vote was recorded.

At this time a motion was made, duly seconded and passed unanimously, to adjourn for lunch and reconvene at 1:30 P.M.

AFTERNOON SESSION:

The Board reconvened at 1:20 and it was noted that all members of the Board were present. This being the time set for consideration of departmental budgets; the following Budgets were presented to the Board:

Budget Code No. 508 in the amount of $1,762.00. A motion was made by Supervisor Robinson, duly seconded, and passed unanimously, approving said budget.

Upon a motion made, duly seconded and passed unanimously, the following Budgets were approved: Budget Code No. 524, $27,855.00; Budget Code No. 536, $15,863.00; Budget Code No. 509, $27,650.00; Budget Code No. 541, $32,400.00; Budget Code No. 538, $7,361.00; Budget Code No. 518, $5,210.00; Budget Code No. 510, $4,495.00; Budget Code No. 607, $9,395.00.

Budget Code No. 612, County Board of Trade, was presented to the board and a discussion was entered into on the participation of the County at the Pomona Fair. An informal poll showed the majority of the board members in favor of participation of the County in both the State Fair and the Pomona Fair. A motion was then made by Supervisor Smart, duly seconded, to adopt Budget Code No. 612 in the amount of $12,345.00. The motion passed by majority vote with Supervisor Coughlan voting negatively.

Budget Code 614 was approved upon a motion made, duly seconded and passed unanimously, in the amount of $1,150.00.

Mr. George Knack, a resident of Nancy Lane, requested some consideration on the improvement of the road in that area. Supervisor Bishop stated that this would be taken up at Budget session.

The following Budgets were then approved by the Board upon a motion made,duly seconded and passed unanimously: Budget Code No. 621, $19,159.00; Budget Code No. 621A, $175.00; Budget Code No. 622, $2,045.00

There being no further business to come before the Board at this time a motion was made by Supervisor Loehr, duly seconded, passed unanimously to adjourn Sine Die.

W. W. Bishop
Chairman of the
Board of Supervisors

Attest:
John T. Trauner
Clerk of said Board

DONNER SUMMIT NEWS

BY DONNA POWERS

SUMMIT SIT MEETS

Wednesday evening was the second monthly meeting of the Summit Sit. Mrs. Lola Schull was a very gracious hostess in her Norden home. Cohostess, Mrs. Dorothy Bacon, served delicious waffles to the ladies present as refreshments. Those ladies present, Mrs. Beverley Cardwell, Mrs. Betty Board, Mrs. Betty Aro, Mrs. Joyce West, Mrs. Adele deRyk, Mrs. Voleta Mason, Mrs. Judy Hambridge, Mrs. Francis Dragoo, Mrs. Gloria Read, and Donna Power, all enjoyed a pleasant evening of handwork and conversation. The first meeting in June will be held at Donner Lake in the home of Adele deRyk.

GRAND OPENING

Hosts John and Verna Bartucco and Tom and Norie Heckle are asking everyone in the Donner Summit area to remember their invitation to attend the grand opening of the Saddle Room June 5th and 6th from 6 p.m. to 2 a.m. at Wofford's Motel in Kingvale.

REGISTRATION

Pre-enrollment registration was held this week in all Tahoe-Truckee School District for those childen entering the kindergarten on August 31. At the Donner Trail School, we will be looking forward to seeing Susan Aro, John Jourequi, and John Loder.

TTTA MEETS

At the Kings Beach Elementary School the Tahoe-Truckee Teachers Association held its final meeting of the year this week. Operating the meeting were the newly elected officers who did an excellent job. Many teachers are looking forward to vacation trips this summer, while others will be taking summer school classes or taking part time jobs and seasonal jobs. The principals in the district will be moving into the recently erected portions of their school and making way for the students on August 31st.

PLA-VADA

Recently opened for the entire week is the Pla-Vada Woodlands Estate. Frances Couillard, who has been in the office only on weekends is now spending all her time here through out the summer. Fran has spent her winter months working as a real estate salesman in Auburn.

LAKE LEVEL

TAHOE CITY — Ideal spring weather has come to Tahoe. Temperatures for the past week varied from 30 to 64 degrees and no precipitation was recorded. The lake level, with all gates closed Monday stood at 6228.08, subject to revision, cooperative observer, Art Frodenberg reported.

WEATHER

Delightful summer weather prevailed over the Memorial holiday with the temperature ranging in the 70 degree mark. Many boats and water skiers on the lake are always a pretty sight. The casinos at Crystal Bay were of course crowded with weekend visitors.

VISITING

Arnold and Sophie Miedema arrived from San Pedro for a couple weeks, staying in the home of their daughter and son-in-law, the Wyman Williams at Brockway. Sophie's sister, Madeline Hord, of Johanneburg, Calif., who has visited here many times has been quite ill for some time, her condition has not improved but we all wish her the best.

FROM OAKLAND

Chris and Margaret Crispin of Oakland were lucky to be able to visit Peg and Larry Ludlow for several days over the weekend. Things were really busy down there—had a nice Sigma Chi Fraternity group from Stanford also.

GUESTS

Mr. and Mrs. Doftus with their daughter, Loreen, and Mr. and Mrs. Buehler with daughter, Vickie, were guests over the weekend at the Clackett home on Midiron Street.

SAD NEWS

Mrs. Trace Seymour widow of the late George Seymour, died in a Stockton Hospital on May 29th. She was buried at Forest Lawn in Sacramento June 3rd. They lived at Hobart Mills (where he was a lawyer) until 30 years ago. They then built a home in Kings Beach on the Truckee Short Cut. Ten years ago they moved to Sacramento. The Seymours' are remembered by many people in this region.

BACK HOME

The John Moores are home for the summer from Princeton, New Jersey. Loma is the daughter of the Andy Sorensens of Tahoe Vista and Johns parents are the Ed Moores now of Grass Valley. It is nice to have the young people back again.

BACK FROM IRELAND

James Baker, former bar tender of Crystal Bay Club, has recently returned from Ireland where he spent several months returning by air to Reno then on to the lake. He tells of bartending in one of the leading hotels in London, England. We are very glad to see him back and looking real good. Exactly where he will be employed up here is not known yet.

IMPROVING

Mrs. Ruby O'Connor, formerly of Brassee Avenue, who underwent a serious operation a few months ago is now reported to be coming along remarkably well. Her husband who was quite ill last winter has recovered. We wish them both good health from now on.

BEN ILL

Mrs. Ella Blake of Brassee Avenue has been in the Tahoe Forest Hospital but is now home and improving nicely. She and Lloyd hope to spend the summer up here if her health will permit.

WONDERFUL TRIP

Virginia Solberg, sister of Dave Ashton, who lived here for many years and now residing in San Jose, is leaving on June 29th for a six weeks trip around the world with an elderly patient whom she has been taking care of. They will fly over and return by boat. Ginnie is certainly excited and we are all so happy for her.

GRAND OPENING

Yes folks—it's true—Bert Grober of Cal Neva Lodge invites each and every one of you to attend the grand opening on June 11th. A cocktail party will be held at 6:30 p.m. followed by a buffet at 7:30. If you have attended opening night in the past, you will find this one to be bigger and better than ever. Let's show Mr. Grober our appreciation by attending and enjoying yourselves as usual. On visiting the Lodge a few days ago I find it spick and span—really beautiful and will no doubt carry on thru the big events next winter.

REMODELING

Saw Joe King this morning—he is looking good and is putting a brick front on the stores across from the post office.

IN HOSPITAL

Heard this morning that Eugene Jarvis is in the hospital at Los Angeles. I don't know the nature of his illness as yet but hope he will soon recover and return to the lake. His chalet is doing a big business and really a beautiful and unusual place if you haven't seen it.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF ARCHITECTURE

NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Division of Architecture, Public Works Building, 1120 "N" Street, Sacramento, California; until 2:00 p.m., Tuesday June 16, 1959 at which time they will be publicly opened and read for the construction of the EQUIPMENT GARAGE, MAINTENANCE STATION, DIVISION OF HIGHWAYS, DISTRICT III, TRUCKEE, NEVADA COUNTY, CALIFORNIA, (W.O. 4318SC), in accordance with the plans and specifications therefor and such addenda thereto as may be issued prior to bid opening date.

In general, this propect comprises the construction of an Equipment Storage Building, having a floor area of 12,900 sq. ft., of one story concrete block construction, with steel and wood framing. Floor is concrete slab on grade, radiant heated, with special topping. Work includes site preparation, paving, concrete, miscellaneous and structural steel, aluminium windows, concrete block masonry, carpentry, mill work, hardware, stock metal equipment items, sheet metal work, hollow metal doors and frames, sectional steel doors, composition built-up roofing, painting, glazing, mechanical work and electrical work.

Bids will be entertained on a lump sum basis only.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the minimum rate of wages applicable to the work to be done to be as follows:

Classification	Hourly Rate
Bricklayer	$3.90
Carpenter	3.375
Cement Finisher	3.37
Concrete Mixer Operator—Up to one yard	3.10
Concrete Mixer Operator—Over one yard	3.45
Derrick Operator	3.85
Electrician	4.06
Glazier	2.55
Hod Carrier — Brick	3.10
Iron Worker — Reinforcing Steel	3.60
Iron Worker — Structural Steel	3.85
Laborer	2.865
Operator of Power Shovel and/or other excavat. equip. with shovel-type controls (up to and includ. 1 yd.)	3.75
Operator of Power Shovel and/or other excavat. equip. with shovel-type controls (over one yard)	3.95
Painter—Brush	3.15
Plumber and Steam Fitter	3.925
Roofer	3.30
Sheet Metal Worker	3.625
Tractor Operator—Dozer, Scraper	3.55
Truck Driver—Less than 4 cu. yd. water lev. cap.	2.75
Any classification omitted herein — Not less than	2.75

Over time—Not less than one and one half times the above rates.

Sunday and Holidays — Not less than one and one half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Plans and specifications, and forms of proposal and Bidder's bond may be obtained by requesting them in writing from the Division of Architecture Public Works Building, Sacramento, and they may be seen at the office of the Division of Architecture. Public Works Building, Sacramento, and the Builders' Exchange Offices.

No bid will be considered unless it is made on a blank form furnished by the Division of Architecture and is made in accordance with the provisions of the proposal requirements and conditions set forth under Section 1 of the Specifications. Each bidder must be licensed and also prequalified as required by law. (See said proposal requirements and conditions.)

A deposit of $25.00, (check made payable to the Department of Public Works) will be required to guarantee safe return of the plans and specifications within 30 days after bid opening. Failure to so return the plans will cause forfeiture of the deposit to the State.

The Department of Public Works reserves the right to reject any or all bids, and to waive any informality in any bid received.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN: Our spring gardening project has ended and the children have taken their plants home.

Chris Boyd brought his dragnet police car to school this week for sharing time.

FIRST GRADE: Debby Wurst brought an abalone shell for "Show and Tell."

Druscilla and Deborah Turner went on a short trip to San Francisco. They brought back a storybook about a crab to share with us.

SECOND GRADE: Sandra Ferdinand shared a luau with the second graders. She brought fresh cocoanut and pineapple in the shells.

Best spellers this week are: Jeffery Jellin, Monte Neugebauer, Joe Reichlin, Brian Smart, Phyllis Brown, David Goldsmith, George Franceschini, Elizabeth Richards, Curt Mullis, Claudia Rhoades, Terry Higgins, Sandra Davis, Bruce Leamon and Ryan Houlgate.

THIRD GRADE: Third grade officers for June are: president, Shirley Davis; vice president, Barry Waters; secretary, Diane Daly; treasurer, Judy Ingalls; room moniter, Tommy Romo; librarian, Tom Holleman; news recorder, Mike Kydd.

THIRD AND FOURTH GRADES: Best spellers this week were: Bill Rose, Henry Frates, Linda Russell, Karel Sauby, Jack Melugin, Kathy Braley, Rhonda Manley, Sue Olano and Don Whiteneck.

Outstanding scores in a timed process test in fourth grade were made by Jack Melugin and Don Whiteneck.

FOURTH GRADE: Billy Hobbs and his 100 per cent spelling receives top billing for the week. Others scoring high on a voluntary spelling exam were Cam Houlgate, Chris Foster, Gary Waters, Ronnie Walker, Dennis Richards, Garee Lynn Stewart, Marianne Moore, Darlene Doolittle, Terri Richards, Gail Englehart, Donna Smith, Beverly Holleman, Heidi Euer, Jan Williams, Tim McLane and Mike Grayson.

On the most difficult arithmetic fundamental exam of the year, Donna Smith (100 per cent), BeverlyHolleman, Marianne Moore, and Gail Englehart had the highest grades. Close on their heels were Chris Foster, Pat Merica, Craig Mullis, Garee Lynn Stewart, Ronnie Walker and Stephen Weiler—all with grades of 90 per cent or higher.

In dictation, Darlene Doolittle, Terri Richards, Beverly Holleman, and Gail Englehart proved themselves excellent stenographers. Turning in excellent papers Dennis Richards, Eileen Olson, Mike Grayson, Bruce King, (100 per cent on all work), Cam Houlgate, Gary Waters, Jim Tavis, and Karen Hedlund rate outstanding.

Writing the best friendly letters were Craig Mullis, Jan Williams, and Chris Foster.

Bringing in goods to share with the class, Izella Witthack, Mike Grayson, Karen Hedlund, and Darlynn Ingalls. proved interesting moments.

FIFTH GRADE: The fifth grade staged a successful public speaking exercise. The topic of the speech was, "What I like about the fifth grade." Some fine speeches were presented by: Diane Pankoke, Connie Rhodes, Mike Decker, Larry Digesti, Pam Harp, Candy Hamilton, Walter Dallas and Betty Saarni.

Ending up a successful art class the fifth grade staged their final art show the theme was, "Air Age." Once again Ricky Ralphs, Dave Douglas, Larry Digesti, and Betty Saarni showed the way with their excellent work.

KINGS BEACH

KINDERGARTEN: Last Thursday the kindergarteners gave a "Fashion Show for the Primary Set" at the May, P. T. A. program. The boys and girls wore clothes typical of their parents.

FIRST GRADE: We are having a race between the Bluebirds and the Redbirds in spelling.

We are starting a new unit on "Summer Fun and Safety." Today we made all kinds of fish for our bulletin board. We plan on stressing fishing, swimming, camping, hiking, boating, horseback riding, hunting, playing and bicycle riding, Maybe this will help us remember our Safety Rules.

We are planning a picnic for the last part of school.

SECOND GRADE: Three second graders completed their current readers. Those completing their readers are: Karen Mally, Cathy McIntire and Cindy Plunkett.

Ellen Dennis, Pat Plevel and Pat Cinani brought records for our enjoyment during music appreciation.

Cindy Lee Malmgren brought a catepillar to school.

Gary Riggs is out this week due to a case of mumps. We wish him a speedy recovery.

With our P. T. A. attendance money, Mrs. Wing purchased an album of records—for our class and other primary grades to enjoy.

THIRD GRADE: On Monday we will start a spelling contest on review words.

One group of readers are making reports on "Heroes of Earlier Days." At the conclusion of the unit they will compile their papers into a booklet.

We have divided the class into four teams for a blackboard arithmetic game.

SEVENTH GRADE: In the last few weeks we have added several new members to the class. They are Janet Mallory, Tom Wells, Josette Fugere, Jim Colclasure, Jimmy Jacobson and Shanunna Graham.

Tuesday we had a math. test. The following people are in the advanced group: Betty Christensen, Karen Critchley, Marcia Sims, Kathy Ploof, Josette Fugere, Larry Free, Bill Bate and Bob Holley.

DONNER DOINGS

BY VIRGINIA O' BEAR

Mr. and Mrs. Warren Wiegand of Sacramento have moved to their summer home here at Donner. They plan to be here until Labor Day.

* * *

Mr. and Mrs Harry L. Jones are here for the summer from San Leandro, Calif.

* * *

Dr. and Mrs. Charles Widenmann were up over the weekend from Vallejo and were guests of Mr. and Mrs. "Hap" Warnke. Dr. Widenmann spent most of his time with the carpenters helping to build their new summer home so they can live in it this summer.

* * *

Mr. and Mrs. Carson White and family were up this weekend and even though the water is still a little cold, their teenage son went water-sking.

* * *

Everett L. Wood of North Sacramento was up a few days last week to fish and was very successful. He caught a 20 inch machinaw and several kokanee to take back home.

* * *

Marsh Finch of Donlac Lodge had a fish story to tell Monday and believe it or not, its true ! ! Marsh hasn't been fishing or had a fishing license for 21 years. Willie Curran and Pop Myers finally talked him into getting one and invited him to go along and they would show him where to go and how to catch them. They were all three fishing out of the boat when Marsh hooked a five pound mackinaw, much to the surprise of Willie and Pop Myers. The last report was to the effect that Willie and Pop were still out in the boat trying to catch some fish so as not to be out-done by Marsh, while Marsh was having a delicious fish dinner.

* * *

Mrs. George Hansen and small daughter Debbie, returned home from Sacramento after spending several weeks there caring for Mr. Hansen's mother, who had surgery on her arm due to a freak accident, with an electric mixer. Rose said the cake her mother in law made turned out to be quite an expensive one. Shirnell held down the fort while her mother was away and I'm told she is a dandy little cook. George doesn't seem to have suffered from the results, so must be true.

* * *

Mrs. Ted Franklin has been on a week vacation from Tahoe Forest Hospital. Janet went back to work Wednesday and even though she spent the time at home, she claims she had a wonderful time. Her parents, Mr. and Mrs. J. R. Prosser of Oakland, come up for four days so they had a nice visit. Mr. Prosser is a retired school teacher and is 87 years old. Mrs. Prosser is 69 and only three years ago took Drivers Training. She drives all over now and even drove up to Donner Lake during the snow storm last week, much to the concern of Janet. Mrs. Prosser made it down the icy summit without any trouble at all so you can immagine how proud Janet is of her folks. They are very active in Oakland with church work and also the Scottish Right Organization. Mr. Prosser has been an Odd Fellow for 50 years. (I don't blame you for being proud, Janet ! ! !)

* * *

Mr. and Mrs. Hank Slack of Donner Lake and Mr. and Mrs. Merle C. Stark of Grass Valley spent the Memorial Day holiday down around the coast. They left Thursday and spent most of their time at Monterey. They had dinner at the famous "Cannery Row" in Monterey and stayed there Thursday night. Friday was spent going through the Hearst Castle which has been made into a State Park. Dorothy says it is fabulous and that it is like being in a dream to go through the mansion where Marion Davies, the famous movie star once lived. They visited Solvang, a Danish town and enjoyed some real Danish pastry. They visited the Begonia Gardens near Big Sur and also took pictures of two missions in that area. They went to San Simeon and old fishing village. They arrived back home Sunday night and expressed that a wonderful time was had by all.

* * *

A joint dinner and business meeting was held Tuesday night at Donner lake by the Donner Lake Volunteer Fire Department and the Ladies Auxiliary. Dr. Ben King was a guest and demonstrated the use of a mouth to mouth resuscitator, used by hospitals now.

* * *

Mrs. Edith Welch donated four of the resuscitators to the fire department and the Ladies Auxiliary are purchasing two more so there will be six on hand for the firemen to use when it becomes necessary.

* * *

Discussions were made by the firemen and the auxiliary concerning the Donner Lake Regatta. Much progress has been made with advertising, two parades are lined up in Reno, one the Desert Boat Club Parade, the other being the big Fourth of July Parade held annually there. Television appearances for the first week in July are being arranged to advertise the Boat Races further, Miss Shirley Smith will be shown and the time and date will be announced next week.

* * *

That's about it for this week, with the exception of all the people at Donner missing Mr. and Mrs A. F. Coe. They lived here off and on for over a year. Mr. Coe worked for the Donner Lake Development Co. at the beach last summer and Mrs. Coe worked at Donner Lake Lodge. They sold their home here at Donner and moved back to their home at Orinda. We hope that they will come back soon.

TNT TIDINGS

BY NANCY WATTS

The officers of Tahoe Truckee High School for next year have been elected. These students will play a big part in the affairs of the school, and we wish them success.

Elections were held last Wednesday, Thursday, and Friday, and the officers are: Woody Ribal, president; Bill Notley, vice president; Diane McGihon, secretary; Judy Fanger, treasurer (elected last year); and Varien Frey, treasurer-elect.

The new cheerleaders, songleaders and majorettes are: varsity-Joann Pomin, head cheerleader; Tina Gruendemann, Katie Corbin, and Ed Hampton. Junior Varsity, Margy Mandeville, head cheerleader; Adrienne Davis, Sandy Farris, and Carol Hampton. Songleaders, Debbie Bradley, head songleader; DeeDee Frates, Alberta Putynkowski and Sandy Swope. Majorettes, Teresa Decker, head majorette; Terry Beck and Mary Pratt.

Final exams are being given this week and next, with one period scheduled for exams each day. Sandwiched between finals are practices for Baccalaureate, which will be Sunday, June 7, at 8:00 p.m., eighth grade graduation, which will be Wednesday, June 10, at 8:15, and senior graduation, which will be at 8:15 on Thursday, June 11. There will be 57 Seniors and 90 Eighth Graders graduating, and the public is invited to attend Baccalaureate and both graduations.

Congratulations to Larry Jellin! He, along with 29 other boys from California, has been chosen to attend an expense-paid summer session at California State Polytechnic College in San Luis Obispo. He will study for a month in his choice of any branch of science or math, under a doctor in that field. This is quite an honor for Larry, as well as for our school.

ADDITIONAL PART OF ADDENDA TO DELINQUENT TAX LIST

Property sold to the state in the year 1954 for the taxes, assessments and other charges of the fiscal year 1953-1954.

DELINQUENT TAX LIST

PURSUANT TO SECTIONS 3391 THROUGH 3395, REVENUE AND TAXATION CODE, THE DELINQUENT TAX LIST AND THE ADDENDA THERETO IN AND FOR THE COUNTY OF NEVADA, STATE OF CALIFORNIA, HAS BEEN DIVIDED AND DISTRIBUTED TO VARIOUS NEWSPAPERS OF GENERAL CIRCULATION PUBLISHED IN SAID COUNTY, FOR PUBLICATION OF A PORTION THEREOF IN EACH OF SAID NEWSPAPERS.

NOTICE

NOTICE IS HEREBY GIVEN that unless the total amount due for taxes assessments and other charges levied in the year 1958 for the fiscal year 1958-1959 on any property, shown on the list below in dollars and cents opposite the description of the property, is paid before 10 o'clock a.m. June 26th, 1959, the real property on which such amounts are a lien (except real property previously sold to the State and not redeemed) will by operation of law be sold to the State of California at such time in the office of the Tax Collector at the court house in the City of Nevada, County of Nevada.

Attention is hereby directed to the Addenda to this publlished deliquent list. Property listed in this Addenda and heretofore sold to the State will, on the 29th day of June, 1959, at 10 o'clock a.m. in the office of the Tax Collector at courthouse, County of Nevada, California, be deeded to the State unless sooner redeemed or deeding is postponed as provided by law.

Dated: This 4th day of June, 1959.

ELMA HECKER,
Tax Collector of Nevada County, State of California.

AFFIDAVIT

STATE OF CALIFORNIA)
) SS.
COUNTY OF NEVADA)

I ELMA HECKER, Tax Collector of Nevada County, State of California, being first duly sworn on oath, say to the best of my knowledge and belief, that the taxes not marked "Paid" have not been paid.

ELMA HECKER
Tax Collector, of Nevada County, State of California.

Subscribed and sworn to before me this 4th day of June, 1959.

JOHN T. TRAUNER
County Auditor, of Nevada County, State of California.

ADDENDA TO DELIQUENT TAX LIST

NOTICE

In pursuance of law, public notice is hereby given that, on the 29th day of June, 1959, at the hour of 10 o'clock A.M. of that day, the undersigned Tax Collector of the County of Nevada, at his office in the City of Nevada, State of California, will deed to the state of California, unless sooner redeemed, or an installment plan of redemption is initiated as provided by law, the real property, hereinafter described upon which date five or more years will have elapsed from the date of the sale of property to the State. The amount for which the deed will be issued will be the total amount due for which it was sold to the State, said amount being set forth in dollars and cents opposite the description of the property. If the property is deeded to the State, the right of redemption will terminate upon any subsequent sale by the State. All information concerning redemption or the initiation of an installment plan of redemption will, upon request, be furnished by John T. Trauner, County Auditor, Court House, City of Nevada, County of Nevada ,State of California.

Dated: This 4th day of June, 1959.

ELMA HECKER
Tax Collector of Nevada County, State of California

As provided by law, the State shall have the sole authority to receive all rents, issues, and profits arising in any manner from property so deeded to the state.

The properties to be deeded and the subject of this notice are situated in the County of Nevada, State of California, and particularly described as follows, to-wit:

Property sold to the State in the year 1954 for the taxes, assessments and other charges of the fiscal year 1953-1954.

CLASSROOMS in the FOREST

IN SCHOOL FORESTS THROUGHOUT THE NATION, BOYS & GIRLS are STUDYING THE IMPORTANCE of FORESTS TO AMERICA and to THEMSELVES. THESE SCHOOL FORESTS ARE IDEAL OUTDOOR CLASSROOMS."

LEARNING THAT GOOD FOREST MANAGEMENT CAN BE MADE TO PAY — HIGH SCHOOL BOOKKEEPING AND BUSINESS CLASSES OFTEN KEEP FINANCIAL RECORDS OF GROWTH AND SALES OF PRODUCTS IN SCHOOL FORESTS.

CHILDREN WHO PLANT TREES IN THEIR SCHOOL FORESTS, "GROW" WITH THE TREES. TOGETHER, THE TREES & THEIR YOUTHFUL MANAGERS GROW TO MATURITY AND USEFUL SERVICE.

PROTECT THE FORESTS AND USE THEM WISELY

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO — (CNS) — The theory of civil service has a lot of merits, but the practice as evidenced in California since 1934 when it was inaugurated by vote of the people has also developed a lot of demerits, which eventually stand to be corrected if Democratic government is to survive.

Among the many demerits of the system is the stranglehold the so-called "higher-ups" in state government have upon its operation. This serves to make the government master of the people, rather than the servant.

Consequently, when the people of the state elect a new governmental administration, and in turn, expect a change in the operation, the new administration is unable to provide improvements the people rightfully expect.

Yet, when efforts are made to correct this situation, there are the misguided theorists who start shouting about any change being "an entering wedge for a spoils revival". Statements of this type frighten elected representatives of the people, who apparently are afraid of the civil service lobby anyhow.

Many, many legislators admit privately that civil service should be wiped off the books, and a fresh start made at operation of the state government in accord with the wishes of the people, rather than the entrenched bureaucracy of the state's civil service employees, yet none wish to initiate the move.

And when Senator George Miller, (D-Martinez) started a bill through the legislative process (SB 562), to give the governor of the state a little more authority to appoint up to four deputies in each department who would not be under civil service, with secretaries for each, to assist in the matters pertaining to state policy, the hue and cry was raised immediately that this would be the eventual wreckage of civil service.

If the charge were true, a unanimous vote should be cast for the measure. Unfortunately, it isn't true, but that makes the bill no less valuable for the interests of the people of the state.

The measure makes the hiring subject to budget approval before any such deputy could be appointed and unfortunately again, would not call for replacement of some of the civil service employees.

It would, in the final analysis, give the governor of the state a hand in determining the policies pertaining to the operation of the departments of state, which he is charged with administering, without having his wishes defeated by a civil service policy maker, who might be so entrenched that he couldn't be fired.

In other words, it would be a step toward making the governor the governor of the state not only in name, but also in fact. With the budget protection, it would cost no more money than is being paid in salary at the present time.

The bill was not dreamed up by Governor Edmund G. Brown. While Brown might approve of it, the measure still remains the result of careful study over the past several years of the operation of civil service in California by Senator Miller, who certainly has no wish to wreck civil service in this state, but who is anxious to get the best out of government for the benefit of the people.

But, die-hards are die-hards, and cannot seem to change!

The St. Lawrence Seaway, constructed at a cost of $475 million by Canada and the United States, enables ocean-going vessels to reach the Great Lakes and the heart of American continent.

LITTERBUGS WARNED OF CRACKDOWN PLAN

SACRAMENTO — (CNS) — Litterbugs, take note! A major state crackdown on your unsanitary and despoiling habits may be in the offing.

Gov. Edmund G. Brown had some rather pointed remarks to make on litterbugs and people in general who contaminate lakes, streams and reservoirs with their trash, as well as strewing beer cans and other waste along roads and highways.

During a hearing on the signing of AB286 by Assemblyman S. C. Masterson (D-El Sobrante) which is designed to open many deserviors to fishermen and recreational uses, Brown made the comments. One of the letters in opposition to the bill included a cartoon of a governor christening a park opening by tossing out a bag full of cans and garbage.

"What in the world can we do to make people stop this?" Brown asked. "I would like to do something—they're like mentally ill persons. Would a couple of good jail sentences do it?

Brown, in effect, then answered his own question. He noted that the crackdown on traffic violators was having its effect and a former crackdown on speeders on the San Francisco-Oakland Bay Bridge had been effective.

CERTIFICATE OF DOING BUSINESS UNDER FICTICIOUS NAME

KNOW ALL MEN BY THESE PRESENTS: Thit I WILLIAM M. ENGLEHART, JR., do hereby certify that I am transacting business in the County of Nevada, State of California, under the fictitious name and style of TRUCKEE TAHOE BOTTLING COMPANY.

That the principal place of business of the firm is situated at Truckee, County of Nevada, State of California.

GOVERNMENT CENTER AT TAHOE PLANNED

AUBURN — Placer County is negotiating with the federal government to obtain 15 acres of land one mile east of Tahoe City, Lake Tahoe, on which to establish a government center.

County Executive John Bernard said the county may attempt to obtain a lease or trade county owned property along the Truckee River for the government acreage.

Tentative plans call for a 3,500 square foot building to house a jail, sheriff's substation, justice court and office space for such county agencies as the building department and assessor's office.

The acreage would contain a corporation yard for the county department of public works.

THREE BOYS HELD AS BOOAT IS DAMAGED

TAHOE CITY — Three boys were cited to juvenile authorities by sheriff's officers for doing $500 damage to a 48 foot boat here.

Sheriff's Lieutenant Robert Moustris said the youths, 7, 9, and 11 years old, smashed two holes in the bottom of the cruiser, broke all of the glass in the portholes and broke the lights. The boat which belongs to Harry Poett of San Francisco, was kept in Tahoe Park, where the youths live.

CLASSIFIED

FOR SALE — '52 Willys 4wd PU, hubs, bumper, htr., winch, recent o'haul and breaks, $1050. 2 Weasels, heavy duty tracks, 1 like new $1200, 1 used $650. B. J. Board, GA 6-3624, Norden. J4p

PLACER DEMANDS ALL PUBLIC PIERS BE OPEN

AUBURN — A policy requiring private piers built on public land at Lake Tahoe be open to the general public has been established by the board of supervisors.

The action was taken after District Attorney Al B. Broyer gave an opinion such piers become public property.

"Any piers constructed by private persons on public beaches and out into the water on public lands upon permission of the board of supervisors become public property," Broyer said. "They are then subject to use by the public."

He indicated this use could involve the county in claims for damages if someone is injured.

Broyer declared piers begun on private land and which cross public beaches cannot be barricaded by the owner except at his property line. He suggested the county planning commission, in considering pier applications, use the following factors:

1. Closeness of the proposed pier to other piers.
2. Whether the pier originates on privately owned land and then extends out onto public lands.
3. The size, length and type of construction.
4. Whether the public will have access by land to the pier.
5. Whether the builder intends to post the pier as private.

Here For Summer—

Mrs. Alma Duncan has arrived from Modesto to stay at her Tahoe City home for the summer. She was accompanied to the lake by her brother, Ed Tatting and nephews George Tierra and Andy Pablick. Mrs. Duncan and her cousins recently returned from a trip to Hawaii.

The Lake Tahoe Sierra Chamber of Commerce, merging with the North Lake Tahoe Business Association during a recent joint membership meeting at Crystal Bay, elected new officers and directors. Pictured above with the chamber's new president, Thomas L. James (center) of Tahoe Vista, are (left to right) Frank Vernon, Reno. a director; Carlton Konarski, Crystal Bay, second vice president; Mrs. Betheil Van Tassell, a director; Wendell Russell, Tahoe City, first vice president.

SCHOOL ORCHESTRA PLAYS AT MEETING

TAHOE CITY — Twenty eight members of the Tahoe City Rotary Club and eight visiting Rotarians were entertained at the May 26 dinner meeting at Tahoe Inn by a seven piece dance orchestra from the Tahoe Truckee High School. Ross Price, director of music at the school was at the piano and he featured each instrument to bring applause from the Rotarians for each member of the orchestra.

Introducing each musician, Price said that they were members of the school band that took second place in the musical festival at Marysville last April.

Rotary member Dave Gaynor was reported to have taken ill on the previous week and taken to a Reno hospital. At this writing, Mrs. Gaynor reported Dave as very much recovered, at home and taking it easy for a few days.

New members introduced into the club by member Jim Martin were Rev. Stanley Welch of the St. Nicholas Mission of Tahoe City nd Robert McMahon accountant and housing director on the 1960 Olympic Committee.

Vice president Bill Bechdolt who presided over the meeting in the absence of President Martin Spitsen, asked each new member to tell something of his past. The highlights of the past of both men was that they had served in World War II, Rev. Welch as chaplain and McMahon in the Navy. McMahon said he was one of the survivors of the battleship Oklahoma during the Pearl Harbor attack.

Before closing the meeting, Bill Bechdolt introduced Henry (Hank) Aldrich as an honorable member of the club. Although Hank operates a ranch near Lincoln for raising race horses, he has a summer home south of Tahoe City and attends a lot of the club meetings as a guest of some member.

TEEN-AGE DANCERS WILL USE SCHOOL

The Teen-age dances which have been held for two years in the Methodist Church in Kings Beach during the summer this year have been taken over by a commuity-wide sponsoring group, the North Tahoe Recreation Council, made up of representatives of 12 North Tahoe community organizations.

This year, however, the "Dance of the Week" will be held in the multi-purpose room of the Kings Beach Elementary School from 8 to 12 p.m. Friday evening beginning June 26th. The dances will be open to teenagers from 14 to 19 years of age, up to the limit of the facilities.

Seasonal admission cards will be available within the next week or so to local residents, and tickets to each dance will be available from Earl Lannguth, the executive secretary of the recreational council. Admission will be 50c a couple or stag.

BOOKS DISCUSSION GROUP PLANS MEET

The Great Books Discussion Group will meet informally June 17 to discuss and plan a program for the summer months of July and August. As in years past the group is withholding the scheduled assignments until the first meeting of the fall season which will be September 9.

Anyone interested in meeting with the group is welcome to attend this meeting and suggest books or subjects they would like to have prepared and discussed Availability of material in inexpensive paperbacks would be an advantage but need not rule out a subject of interest.

Naomi and Bob McLane will be hosts for the meeting in their home in Tahoe City beginning at 8 p.m.

Quam Returns—

Jerry Quam has returned to Truckee, and is employed in Z Market.

The rapid industrial expansion of the United States after 1900 had drained natural mineral resources at an extraordinary rate.

SOROPTIMISTS ARE HOSTESSES AT LUAU

CRYSTAL BAY — Over one hundred Soroptimists and guests enjoyed an Hawaiian Luau at Crystal Bay Club, on the evening of May 26. The Soroptimist Club of Lake Tahoe entertained their Soroptimisters and member Soroptimists from the South Tahoe, Sparks, and Marysville clubs, with Hawaiian music, food and hula dancing. The latter was performed by President Mickie Mandeville and guest Louise Anderson. They had received their diplomas in this dance style aboard the Matsonia, while on their recent trip to the Hawaiian Islands.

President Mickie Mandeville told the assembled group of the successful conclusion of the club play, "The Drunkard". She reported that a profit of a little over a thousand dollars had been collected from the two nights' performance, and that plans were under way to purchase a 'heart bed' and accessories for the Tahoe Forest Hospital with the funds.

The club then presented Robert Beaverson, who had directed "The Drunkard", with two record albums as a thank you present.

Marge Fellows, of Carnelian Bay, in charge of decorations and food for the party, gave the guests a genuine feeling of Island atmosphere, seating some at tables, and the more agile on grass mats under cocoanut palms, to partake of papaya punch from cocoanut bowls. Fresh pineapple accompanied the luau dinner of roast pork, chicken, and fish. The background music of Hawaiian guitars and candelight set the stage for the showing of movies of Hawaii by Bud Mandeville.

Park Owner Here—

Jack Rice of South San Gabriel was a business visitor here last week, looking over his trailer park property.

PLACER EMPLOYES TO HAVE SALARY BOOST

AUBURN — Pay boosts ranging from 5 to 15 per cent were granted to county employes by the board of supervisors.

The raise includes a 5 per cent across the board boost for all employes, plus an extra 5 to 10 per cent upward adjustment for 32 classes of workers. The increases were recommended by County Executive John Bernard.

Adoption of the salary ordinance includes some department heads and administrative personnel in the range step salary schedule instead of on a flat monthly pay basis as in the past.

DR. SKLAR OFFICIAL FOR TAHOE SCOUTS

Paul Claibourne Sr., of Auburn was installed as president of the Tahoe Area Council at the recent 36th annual recognition dinner and ladies night.

Others installed were vice presidents, Maurice Kuhlman of Roseville, and Allen Sklar, M. D. of Kings Beach, and Jack Siegfried of Nevada City; treasurer, Harry L. Rosenberry of Auburn; national council representative, D. Oscar Bailey of Grass Valley, Judge Leland Propp of Auburn and Senator Harold "Bizz" Johnson of Roseville. Rev. Gordon Ashbee was reappointed as council commissioner for the 4th year.

"Butch" The Sierra Beaver Sez:

If you should see a young dragon in the woods, do not be alarmed. These very useful dragons were brought to the United States from China to consume sawmill waste. They do this by eating the slabs and sawdust, and burning it inside their stomachs. Only the smoke can come out of their nostrils, because standard spark arrestors have been installed in their noses. In spite of their looks, they are of a very gentle nature, and the dragon's usefulness in keeping the forest clean of debris has brought about the placing of young dragons on the protected closed season list.
